Mission Statement

Since 1958, St. Mary School has recognized that each student is a precious gift from God whose eternal goal is heaven. Our students benefit from academic excellence involving a challenging curriculum that helps them to reach their intellectual potential within school and beyond. Our students show their Catholic faith by accepting differences in a diverse culture and by aspiring to be outstanding members of society.

Parent-School Partnership Agreement

The parent-school relationship is of great importance to the religious formation as well as to the academic and behavioral success of all students. St. Mary School pledges to offer an excellent education rich in Catholic formation, perspective, values, and traditions. St. Mary School expects all parents to reaffirm and agree to the following statements:

- ✚ We are the primary educators of our child(ren) and the most critical factor in the overall development of our child(ren).
- ✚ We will attend Mass weekly and be active in our faith as an example to our child(ren). We will be involved in both parish and school events.
- ✚ We agree to support St. Mary School through prayer, positive relationships, and the giving of our time, talent, and treasure, including contributing financially to our parish to support its subsidy to the school.
- ✚ We will furnish the school with all medical, dental, psychological, and other pertinent information so that the faculty/staff can know and understand the capabilities of our child(ren).
- ✚ We will monitor the influences on our child's(ren's) life/lives. This includes awareness of reading materials, what he/she/they experiences on television, video games, movies, music, the Internet, and on social media.
- ✚ We will give parental supervision of recreational activities to ensure that our child(ren) has/have ample opportunity(ies) to complete assignments and to get sufficient rest necessary to perform his/her/their best in school.
- ✚ We will make ourselves available to attend parent-teacher conferences and other school-sponsored programs/events.
- ✚ We will do our best to plan family vacations with consideration of the school calendar to avoid missing academic days.
- ✚ We will be accepting of the school discipline code by viewing it as a growth instrument in our child's(ren's) best long-term interest. We will work together to help our child(ren) accept responsibility for his/her/their actions.
- ✚ We will contact the teacher first as soon as we feel a concern arises.
- ✚ We will be supportive of the school and faculty/staff in front of our child(ren), community members, and online (social media).
- ✚ We will read all emails sent to us through FACTS and from all St. Mary School faculty/staff members.
- ✚ We agree to log our family's required 10 service hours on FACTS by the last day of school. Families who choose not to complete their 10 hours are assessed a \$500 fee (\$50 per uncompleted hour). Please see the Appendix or the HANDBOOK tab at smplano.com for a list of parent service hour options.
- ✚ We acknowledge that our behavior/actions/attitudes can result in our child(ren) being unable to return to St. Mary School the following school year or in the immediate removal of our child(ren) from St. Mary School.
- ✚ We will read the school handbook, accept and abide by all of its regulations and policies, and agree to discuss appropriate areas with our child(ren).

Admission

- ✚ Schools operated under the auspices of the Diocese of Joliet admit students of any race, color, sex, national and ethnic origin to all of the rights, privileges, programs and activities generally available to students at the schools.
- ✚ Students of families that are not registered and participating members of a Catholic parish can be accepted at an increased tuition rate.
- ✚ Registered and participating parishioners are those who demonstrate their commitment to their Catholic faith by regularly attending weekly Mass, volunteering their time/talents in parish ministries/events, and who provide regular financial support to the parish by donating a minimum amount each month in their parish envelopes.
- ✚ A child must be fully potty-trained. Students cannot attend school in a diaper or a pull-up.
- ✚ Students who satisfy the definition of chronic absenteeism (absent 18 days) can be denied the ability to register for the following school year. Similarly, students/families who cannot adhere to the school day (chronically tardy or are picked-up early), which is 7:45 am – 2:30 pm, can be prohibited from registering for the following school year.
- ✚ St. Mary School must be in possession of a signed Handbook Agreement in order for a student to be officially registered.

Students With Special Needs:

St. Mary School can require testing and/or interviews of parents/potential students before a family is allowed to register. St. Mary School endeavors to educate all students within the limits of its school's educational program; however, it is not in a position to educate everyone. Students with special needs that cannot be met by existing programs will either not be accepted for admission/re-admission or be required to be dual enrolled. Completion of the Diocese of Joliet Catholic Schools Office Memorandum of Understanding can also be required before a student can officially register. This document is available in the Appendix or by visiting the HANDBOOK tab at smplano.com.

Transfer Students (Grades 1-8):

- ✠ Transfer students can only be registered following a face-to-face meeting with the administration and the receipt and review of all attendance, health, behavioral, and academic records (IEP, 504, Behavior Intervention Plan, total absences, etc....).
- ✠ Students transferring into grades K, 1 or 2 must first pass a readiness screening before being registered.
- ✠ If transferring during the school year, all transfer students must shadow for at least one school day before being registered.
- ✠ Transfer students are expected to be in good academic and behavioral standing as reflected in their former school records before admission. Students who transfer to St. Mary School will be on academic and conduct probation for two school years. If at any time during this probationary period the student or his/her family fails to demonstrate appropriate academic or behavioral standards, he/she will be immediately withdrawn from the school. This determination and decision is made exclusively by the administration.

Dual Enrollment Students:

St. Mary School does allow for dual enrolled students. Dual enrolled students can participate in St. Mary School extracurricular activities. Dual enrolled students who are also Plano CUSD 88 residents can ride the bus to school and/or home from it. Dual enrolled students still pay full tuition. There is no tuition discount for only being a part-time or a dual enrolled student.

Kindergarten:

- ✠ A student entering kindergarten must be five years of age on or before September 1st and pass a kindergarten readiness screening.
- ✠ Kindergarten screenings are done each winter/spring. They can be repeated weeks later. The purpose of the screening is to determine kindergarten readiness. Children who do not qualify as "developmentally ready" for kindergarten cannot register for kindergarten. As with any standardized assessments, the assessment tool will not be released to the parents/guardians.
- ✠ Kindergarten students must have a medical examination and a record of immunizations on file at St. Mary School by the first day of student attendance.

First Grade:

A student entering first grade must have successfully completed kindergarten the previous school year (as evident by records) and be six years of age on or before September 1st. A student must also pass a grade 1 readiness screening.

Second Grade:

A student entering second grade must have successfully completed first grade the previous school year (as evident by records) and be seven years of age on or before September 1st. A student must also pass a grade 2 readiness screening.

Grade-Skipping:

Students must register for the subsequent grade in school. Skipping a grade is prohibited.

Amending the Handbook

The administration reserves the right to amend this handbook at any time.

Attendance

The State of Illinois provides by law for compulsory attendance of all children between the ages of seven and sixteen years (105 ILCS 5/Art. 26). It is the responsibility of parents to make sure that their student is in attendance at school. It is the duty of the principal

and teachers to insist upon daily attendance. Principals have the obligation to see that requirements of the law of the State of Illinois are met. Schools keep accurate and daily records of attendance and a summary of these records are kept permanently on file.

Truancy:

Pursuant to Section 26-2a of the School Code, “[a] ‘truant’ is defined as a child who is subject to compulsory school attendance and who is absent without valid cause, as defined under this Section, from such attendance for more than 1% but less than 5% of the past 180 school days.” 105 ILCS 5/26-2a

Excused “Valid Cause” Absences or Tardiness:

- ✚ Pursuant to Section 26-2a of the School Code, “[a] valid cause for absence shall be illness, observance of a religious holiday, death in the immediate family, family emergency, and shall include such other situations beyond the control of the student as determined by the board of education in each district, or such other circumstances which cause reasonable concern to the parent for the safety or health of the student.” 105 ILCS 5/26-2a
- ✚ Court appearances and medical/dental appointment will also be excused.

Chronic Absenteeism:

- ✚ As defined in Section 26-18 of the School Code, “‘chronic absence’ means absences that total 10% or more of school days of the most recent academic year, including absences with and without a valid cause and out-of-school suspensions for an enrolled student.” 105 ILCS 5/26-18
- ✚ Students who satisfy the definition of chronic absenteeism (absent 18 days) can be denied the ability to register for the following school year. This determination is made solely by the administration. Families will receive a letter that informs them when their child has satisfied the definition of chronic absenteeism. This letter is available in the Appendix or by visiting the HANDBOOK tab at smplano.com.

Unexcused Absences or Unexcused Tardiness:

- ✚ Unexcused absences and tardiness include: missing the bus, oversleeping, car trouble, personal appointments, needed at home (babysitting, waiting for repairman, etc.), family vacations, out-of-school suspensions and other avoidable absences
- ✚ Teachers do not have to provide makeup assignments for unexcused absences or tardiness.

Reporting an Absence:

Parents are to notify the office by 7:50 am each day that their student is absent.

Tardiness:

A student is tardy if he/she is not in their homeroom by 7:50 am. Students arriving after 8:00 am must be signed-in by a parent in the office before they are allowed to leave the office and report to class.

Additional Information:

- ✚ All absences, whether excused or unexcused, are accumulated on the student’s attendance record.
- ✚ A .5 absence will be recorded on a student’s attendance record if he/she arrives after or leaves before 11:00 am when school is dismissed at 2:30 pm.
- ✚ If a student is absent from school because of illness, that student is ineligible for practices or games scheduled for that day. A student that is absent due to illness on Friday can participate on a Saturday.
- ✚ Students cannot be signed-out of school between 2:15-2:40 pm.
- ✚ Students cannot habitually arrive late or be signed-out early. Students/families who cannot adhere to the school day, which is 7:45 am – 2:30, pm can be prohibited from registering for the following school year. This determination is made exclusively by the administration.

Bell Schedules

Please see the Appendix or the HANDBOOK tab at smplano.com.

Bicycles

Students can ride a bicycle to and from school. Bicycles cannot be ridden during school hours. Only one rider is permitted on a bicycle at any given time. Bicycles should be walked on and off of school property. All bicycles should be properly parked and locked. St. Mary School is not responsible for damaged or stolen bicycles.

Birthdays

- ✧ On a student's birthday, he/she can choose to bring something to share with the class.
- ✧ Parents must contact the student's homeroom teacher at least one day prior to sending in any items. All items must be approved by the teacher before they are sent to school.
- ✧ If plates, cups, napkins or utensils are required, the parent must provide them.
- ✧ If the student has a summer birthday, and he/she would like to bring something in during the school year, arrangements can be made with the teacher.
- ✧ Invitations to birthday parties can only be distributed at school if all boys are invited, all girls are invited, or all students in the class are invited.

Busing

- ✧ To be eligible for busing, a student's home address must reside in Plano Community Unit School District 88.
- ✧ All routes and pick-up/drop-off times are determined by the PCUSD 88 Transportation Center (630-552-8980).
- ✧ PCUSD 88 can limit the number of student passengers on a bus. Consequently, PCUSD 88 resident students can be denied busing due to a lack of room on the bus.
- ✧ Busing is dependent on PCUSD 88. If the district is unable to provide busing on a given day, there will be no busing.
- ✧ For a student to ride the bus, a family must annually complete the Bus Registration Form, which is available in the Appendix or by visiting the HANDBOOK tab at smplano.com.

The following regulations and penalties for unacceptable behavior have been formulated by PCUSD 88 in order to provide the greatest assurance for each rider's rights and safety:

- ✧ Rowdiness, standing when the bus is in motion, excessive noise, rude/discourteous behavior, non-compliance with the bus driver's requests, abusive/vulgar language, smoking, shooting or throwing projectiles, lighting matches or lighters, fighting, throwing snow, destruction of property etc... are not permitted on buses.
- ✧ Food, drinks, gum/candy, and balloons are also prohibited.
- ✧ Students grades 6-8 can receive Code of Conduct point deductions for bus misbehavior (bus conduct reports).
- ✧ Students grades K-5 can lose recess time for bus misbehavior.
- ✧ A student's bus riding privileges can be suspended or terminated by the administration or by PCUSD 88 for misbehavior.

Car Line

Drop-Off Procedures:

- ✧ Enter the parking lot using the Church Street entrance and pull up as far as you can to the second thick yellow line.
- ✧ Students cannot exit a vehicle that is behind the first thick yellow line.
- ✧ The Church Street entrance gate closes at 7:50 am.
- ✧ Vehicles are to remain in a single file line and not pass one another during drop-off.

Pick-Up Procedures:

- ✧ During pick-up, 4 rows of vehicles are used.
- ✧ Vehicle rows begin at the northern end of the school near the rectory. A vehicle row cannot extend so far that it stops in the No Parking area near the Church Street yellow gates.
- ✧ The row of vehicles closest to the playground is reserved exclusively for those taking home kindergarten students. If a vehicle is not transporting home at least one kindergarten student, one of the other three vehicle rows must be used.
- ✧ Vehicles transporting students in grades 1-8 can use any row other than the one closest to the playground.
- ✧ The Church Street entrance gate is open from 2:00-2:30 pm.

- ✚ Once car line begins moving, students cannot exit the building. If you do not have your student(s) when car line begins moving, please drive around to the front of the school.

Additional Information:

- ✚ Students cannot walk through the parking lot to vehicles parked on Church Street or in the faculty/staff parking lot. This includes if they are accompanied by an adult.
- ✚ Walkers are released out of Door 1 after car line has completed. This usually occurs around 2:36 pm.

Communication

Information requiring your attention will be sent out regularly. Parents are to check the school website (smplano.com), FACTS SIS, their e-mail, and student folders/bags/assignment notebooks routinely.

Phone Calls:

- ✚ Students are not permitted to use the school telephone except for special needs. Forgotten homework, books, gym clothes/shoes, field trip permission slips, etc... are not considered sufficient reason for telephoning.
- ✚ Parents can call to leave a message for a faculty/staff member or for a student. St. Mary School will not page a faculty/staff member or a student from class to answer the telephone except in the case of an emergency.

Cell Phones:

Students can bring cell phones to school provided that they remain off during school hours and are kept in the student's locker or backpack. The first misuse of a cell phone will result in its confiscation. Students can pick up their phone after 2:30 pm in the office. Beginning with the second instance of misuse, a parent must pick up the cell phone in the office. Students grades 6-8 will also lose Code of Conduct points for each instance of cell phone misuse.

Smart Watches:

Similar to cell phones, because smart watches can store and send information, as well as access the internet, other than for telling time, smart watches can not be used during the school day. Smart watches can be confiscated. Parents can be required to pick up smart watches in the office. Students grades 6-8 can lose Code of Conduct points for instances of misuse.

Appointments:

If a parent has a question regarding their student's education, the teacher is to be contacted first. Appointments for a conference can be made via e-mail or by calling the office to schedule an appointment. After meeting with the teacher, if further discussion is desired with the administration, an appointment can be made. Appointments will be scheduled for a time of day that tries to meet the parent need as best as possible. During all parent-teacher/parent-administrative meetings, respect of individuals must be maintained at all times or the meeting will be promptly ended by the school personnel. For example, yelling, the use of inappropriate language, and/or strictly argumentative dialogue (not problem-solving in its nature), will all result in the immediate end to a meeting.

Subsidiarity:

Parent questions/concerns should be communicated at the lowest level first. For example, most situations should be brought first to the teacher, then to the administration, and finally to the pastor.

Confidentiality:

The administration is prohibited from discussing with parents staffing or disciplinary situations involving parties other than their own student(s). Consequently, the administration cannot mandate that two or more parents from different families meet, nor act as a mediator between multiple families even if all parties agree to it.

Miscellaneous:

- ✚ Parents are to refrain from interacting with students and teachers during the school day, such as during recess or at Mass.
- ✚ Parent classroom visits must be pre-approved by the teacher or the administration.
- ✚ Parents are to be cautious of information that has not originated from the school (hearsay).

- ✚ The school calendar, which is found under the GOOGLE CALENDAR at smplano.com, is the most complete and up-to-date source for event dates, times, and locations.

Conferences, Parent-Teacher

Parent-teacher conferences are usually held in November and on Holy Thursday. Additional conferences can be arranged with advanced notice throughout the school year at the request of parents, a teacher, or the administration.

Curriculum

- ✚ The curriculum at St. Mary School reflects its Catholic identity. Catholic moral values are infused into the curriculum at all grade levels and in all subject areas. The curriculum adheres to the policies and procedures of the Illinois State Board of Education and the Diocese of Joliet Catholic Schools Office in its expectations.
- ✚ Religion, Mathematics, Language Arts (which is divided into Reading and Writing, Language, Speaking & Listening), Science, and Social Studies are the core classes taught at all grade levels. St. Mary School also strives to provide all students with Art, Music, Physical Education, and Technology classes.
- ✚ To view the Diocesan elementary curriculum, please visit the CURRICULUM tab at smplano.com.

Physical Education:

A written excuse from a parent is required for a student to be excused from PE. After three consecutive missed PE classes, a written note from a physician indicating the duration of the time exempt from PE class is required. To resume PE after a doctor-excused injury, an authorization to resume PE activity must be received from a physician as well. Students who are excused from PE can also be kept inside during outdoor recesses.

Federal and State Constitution Exams:

All 7th grade students will complete the required Federal and Illinois Constitution exams during social studies.

Advanced Math at Rosary:

Rosary High School offers an advanced math opportunity for eligible 8th grade students. Students accepted into the class will receive an invitation from Rosary High School in the mail over the summer. Families are responsible for transporting their child(ren) to and from the class. Families who choose to have their child(ren) take advanced math at Rosary are not eligible for a St. Mary School tuition discount. The requirements, as set by Rosary High School, to be considered for this class are:

- ✚ A MATH TOTAL score of 90th percentile or higher on the ITBS during the student's seventh grade school year.
- ✚ Recommended by their seventh grade math teacher. Teachers are encouraged to only recommend students that possess a superior work ethic, are independent learners, are eager to take an honors math course, and who are responsible for daily homework assignments.

Safe Environment for Children:

All students are instructed in personal safety and protection against child abuse in accordance with Diocesan policies. Parents are offered the opportunity to preview all materials used and may "opt-out" of any instruction.

Textbooks:

Textbooks and workbooks will be distributed to students in their classes. Textbooks are the property of St. Mary School. All hardcover textbooks must be covered. Adhesive book covers are not allowed. Writing in or defacing textbooks is prohibited. The cost for replacement of damaged or lost books is the responsibility of the student. Students cannot return the subsequent school year until all such fines have been paid in full. All students should utilize a method/container for transporting textbooks to and from school safely. Wheeled backpacks are not allowed inside of St. Mary School.

Discipline

- ✚ The faculty/staff at St. Mary School strives to meet the individual needs of students, accepting them as they are, and carefully guiding them in the development of character, attitudes, and respect for the rights and property of others. The positive

aspects of regulations, rights, and the value of self-discipline are emphasized. Parents are expected to be partners with the school by supporting and enforcing the discipline policy. Final authority regarding discipline rests solely with the administration.

Any student who fails two or more core classes both trimester 1 and trimester 2 are immediately withdrawn from St. Mary School. Dress Code

A student out of dress code can be held out of class, sent home, or be excluded from returning to school until he/she is in full compliance with the dress code according to the administration.

Dress Code:

- ✚ To view the Dress Code, see the Appendix or visit the HANDBOOK tab at smplano.com.
- ✚ Uniforms can also be purchased online at www.dennisuniform.com → Shop now → School code = G8MPL or by visiting Dennis Uniform (1141 N. Main St. in Lombard, IL 60148). Their phone number is 630-932-7171.

Spirit Days & Out of Uniform Days:

- ✚ On Spirit Days, students can choose to wear a St. Mary School top. Homemade spirit wear tops are prohibited. Students are in uniform for everything else.
- ✚ On Out of Uniform Days, students do not have to wear their uniforms or a St. Mary School top. Students are typically charged a fee to participate in an out of uniform day. Form-fitting clothing is still prohibited unless worn underneath another article of clothing.

Physical Education Uniforms:

All K-4 students will wear their school uniforms during PE. Students in grades 5-8 can be required to change into:

- ✚ Athletic pants or shorts (leggings, tights, yoga pants, or other form fitting articles of clothing must be worn underneath another article of clothing)
- ✚ A t-shirt (no sleeveless shirts, tank tops, etc...)

Any student required to change for PE who does not have appropriate PE clothing cannot participate. Students in grades 6-8 will also receive a Code of Conduct point deduction.

Electronic Devices

- ✚ Electronic devices such as (but not limited to) cell phones, tablets, etc... are not allowed during school hours unless authorized by the teacher or administration. These devices must remain off and out of sight during the school day. If a device is seen or heard, it will be confiscated and taken to the office. Students in grades 6-8 will also receive a Code of Conduct point deduction. Following the first offense, a student will be allowed to pick up his/her device at the end of the school day in the office. Beginning with the second offense, a parent will need to come to the office to collect the electronic device.
- ✚ Students in grades 6-8 can use their personal electronic devices during indoor lunch recesses.
- ✚ Because smart watches can store and send information, as well as access the internet, other than for telling time, smart watches cannot be used during the school day. Smart watches can be confiscated. Parents can be required to pick up smart watches in the office. Students grades 6-8 can lose Code of Conduct points for instances of misuse.
- ✚ St. Mary School is not responsible for lost, stolen, or broken electronic devices.

Extracurricular Activities

- ✚ An individual must be enrolled in St. Mary School to participate in any St. Mary School extracurricular activity.
- ✚ Extracurricular activities (sports and clubs) cannot meet on Sundays or on days in which school is cancelled.
- ✚ See the ATHLETICS tab on smplano.com to view the Aurora Area Catholic League Policy Handbook, the IESA Handbook, eligibility requirements, and the documents that must be completed for a student to participate on a St. Mary School sports team.

Athletics:

- ✚ St. Mary School offers 5th-8th grade students the opportunity to participate in coed soccer, girls' volleyball, girls' basketball, boys' basketball, and coed track. There is a cost per student, per sport, to participate. Students cannot practice or participate in any team activities unless their fees have been paid in full and St. Mary School is in possession of an up-to-date sports physical.
- ✚ If a student is absent from school because of illness, that student is ineligible for practices or games scheduled for that day. A student that is absent due to illness on Friday can participate the next day (Saturday).

“No Play” Dates:

A “No Play” date is defined as a date in which students are unable to participate in athletic activities (practices/open gyms and games/matches) due to one of the following circumstances:

- ✚ Days in which school is not in session (legal holidays, school closure)
- ✚ Designated extended breaks in the school year (Thanksgiving, Christmas, Easter/Spring)
- ✚ Days designated by St. Mary Parish in which student participation is strongly encouraged or mandated
- ✚ Other major school functions/events

No Play dates do not apply in cases where coaches cannot attend an athletic event due to a personal conflict. Exceptions are made in the event of a family medical emergency and/or death on the family.

A listing of No Play dates will be submitted by the Athletic Director to the Aurora Area Catholic League prior to the beginning of each sport's season.

Concussion:

- ✚ All parents must read, complete, and turn in the IESA Concussion Information Sheet before a student can participate on a sports team.
- ✚ If a physician diagnoses a student with a concussion, that student is prohibited from returning to play until a physician clears him/her.
- ✚ All St. Mary School coaches must complete the state mandated 2-hour concussion training.

Band:

St. Mary School's band program is provided by Music Education Services. Beginner, Intermediate, and Advanced classes are offered two days a week for 45 minutes each day. Students can begin band in 4th, 5th, or 6th grade. Classes begin in mid-September. Information regarding signing up for Band will be sent home at the start of the school year. All students must register electronically.

Field Trips

- ✚ Only official school/diocesan field trip permission forms will be accepted for student participation. If a student fails to submit a signed official school/diocesan field trip form, he/she is prohibited from attending the field trip. Parent permission granted over the phone will not be accepted in lieu of an official school/diocesan field trip permission form.
- ✚ Field trips are privileges afforded to students. No student has an absolute right to attend a field trip. Since field trips are privileges, students can be denied participation if they fail to meet certain academic and/or behavioral requirements. Each teacher/field trip destination may set his/her/their own requirements for participation, which can include an evaluation of a student's prior conduct. Students not in compliance with the school discipline code can be excluded from field trips at the discretion of the faculty and/or administration.
- ✚ Students who have served an out-of-school suspension cannot attend any field/service trips until the first academic day of the subsequent trimester. This includes all third trimester field/service trips.
- ✚ All field trips shall have the approval of the administration.
- ✚ Students unable or unwilling to attend a field trip can be required to complete an alternative assignment that will be graded.
- ✚ Students shall wear their uniforms on field trips unless otherwise notified.
- ✚ Students typically take one field trip each trimester.

- ✘ Because classroom teachers serve as chaperones for all field trips, students who do not attend a field trip (for any reason) cannot report to school on the day of the field trip.
- ✘ A class/organization/group of students cannot run a fundraiser to subsidize the cost of a field/service trip.
- ✘ All field trips must take place within the hours of a school day (7:45 am – 2:30 pm). This enables all students to participate.
- ✘ When leaving the school grounds, field/service trips are to utilize PCUSD 88 transportation. This means that field trip cannot depart before 8:30 am and all field trips must return to St. Mary School by 1:30 pm.

Chaperones:

All field/service trips will be adequately supervised by faculty members and other approved adults. Only those persons who have completed Protecting God's Children and have a fully compliant VIRTUS account will be allowed to serve as chaperones.

- ✘ Teachers or the administration can require a parent to serve as a chaperone on a field/service trip. If the parent cannot or chooses not to chaperone, his/her child(ren) cannot report to school on the day of the field/service trip.
- ✘ The teacher assigns students to chaperones. Chaperones do not pick their groups/students.
- ✘ Chaperones must be physically and mentally present to their assigned groups/students at all times. If a parent brings his/her non-school aged children with them to a field/service trip destination, he/she will not have any students assigned to them.
- ✘ A teacher, field/service trip destination, or the administration can mandate that a chaperone be prohibited from bringing his/her non-school aged children on the field/service trip.
- ✘ For any field/service trip, a teacher or the administration can prohibit anyone from serving as a chaperone.

Grades

Each teacher will communicate in writing his/her policies regarding late homework, corrections/retakes, and extra credit at the start of the school year. Late homework can generally be turned in no more than 1 day late to receive any academic credit, and a student can complete corrections/retakes and earn up to a 77% (C-).

- ✘ High Honor Roll = 3.50-4.00 GPA
- ✘ A student must also have earned a C- or higher in every class, including PE, Music, Art, and Technology.

Promoted:

All students who successfully complete their grade level's curriculum by the end of the school year are promoted to the next grade level for the subsequent school year.

A student who has not successfully completed all of the prescribed curriculum, but who will be enrolled in the next grade level for the subsequent school year, are considered "Placed". This distinction appears in the student's permanent record.

Grade-Skipping:

Students must register for the subsequent grade in school. Skipping a grade is prohibited.

Non-Promotion (Retention):

- ✘ Unless the option exists for a student to have a different teacher, a student cannot repeat a grade at St. Mary School.
- ✘ Teachers are expected to keep parents informed of student progress throughout the year. If a teacher believes that retention (non-promotion) should be considered for a student, he/she will inform the administration around the start of the third trimester. The teacher, administration, and parents will then discuss the possibility/need of retention and the rationale behind it prior to the final decision, which is made exclusively by the administration.
- ✘ Absences can result in retention when a student fails to successfully complete the prescribed curriculum. Students shall not be promoted/placed based solely upon age or any social reasons not related to academic performance. Students who satisfy the definition of chronic absenteeism can be denied the ability to register for the following school year. This determination is made solely by the administration.

Academic Probation:

- ✘ Students who fail 2 or more core classes in any trimester are automatically placed on Academic Probation.
- ✘ If a student fails 2 or more core classes both trimester 1 and trimester 2, he/she will be immediately withdrawn from St. Mary School. The student cannot return for the 3rd trimester/finish the school year.
- ✘ If a student fails 2 or more core classes in more than 1 trimester (trimesters 1 and 3 or trimesters 2 and 3), he/she can be prohibited from registering at St. Mary School for the subsequent school year.
- ✘ If a student fails 3 or more core classes in any given trimester, he/she will be immediately withdrawn from St. Mary School.
- ✘ If a student fails the same core class more than one trimester, he/she can be mandated to present proof of extended learning (summer school, tutoring) to be considered for registration for the subsequent school year.
- ✘ Grade 8 students who fail 2 or more core classes trimester 3 are prohibited from attending the 8th Grade Graduation Mass and Awards Reception.

Homework

Homework is a crucial aspect of the learning process for St. Mary School students. Homework is given to:

- ✘ Reinforce instruction that began in the classroom
- ✘ Allow students an opportunity to practice desired learning targets
- ✘ Evaluate skills taught in class and help determine future instruction
- ✘ Prepare students for assessments
- ✘ Facilitate students becoming responsible persons
- ✘ Assist parents of being aware of what a student is learning
- ✘ Complete unfinished class assignments

Parents should:

- ✘ Help students identify and utilize a place and time conducive to completing homework.
- ✘ Never do a student's homework or permit anyone else to do it for the student.
- ✘ Frequently check homework upon the student's completion.
- ✘ Notify a student's teacher immediately if they notice a student having excessive difficulty or undue stress from the subject matter or amount of homework assigned.
- ✘ Understand that homework can be assigned nightly, Monday-Friday, over weekends, as well over extended holidays.

- ✧ Sign corrected homework or assignment notebooks when requested by a student's teachers to verify that they are knowledgeable of the student's work, progress, and needs. Failure to return signed homework, assignments, quizzes/tests, etc... can result in consequences being issued.
- ✧ Check the assignment notebook to verify good study habits are being exercised and to see if there has been any communication from a teacher.
- ✧ Ensure that student participation in an extracurricular activities does not interfere with homework completion. Participation in an extracurricular game/match/event is not an excused reason for incomplete work.

Students grades 6-8 will lose 1 point for homework that is incomplete or not done. Homework turned in more than 1 day late will typically not receive any academic credit.

Absent Work:

- ✧ Parents who wish to pick up their student's homework or have the homework sent home with another student must make this request before 11:00 am.
- ✧ When a student is absent from school, it is the student's responsibility to find out what is required of him/her to makeup.
- ✧ The "Day-for-a-Day" rule applies to absent work. Example: A student is sick from school for two days. When the student returns to school, he/she will have two days to complete the missed work. The student must turn in his/her work on the third day back to school to receive appropriate credit.
- ✧ If a student misses the day an assignment is due, including homework, a project, or a quiz/test, the assignment is due the student's first day back to school. Example: A student misses the day a test was given. The student will take the test the day he/she returns to school.
- ✧ Teachers do not have to provide makeup assignments for unexcused absences or tardiness

Vacation Work:

Vacations during the school year that results in students missing school are discouraged. Teachers do not have to provide students who will be taking a vacation with the homework/assignments that they will miss while absent. Make up work will be discussed and assigned by the classroom teacher upon the student's return to school.

Illness & Accidents

- ✧ If a student becomes ill or injured, the parent will be notified immediately. If the parent is not available, persons listed on the Emergency Information Sheet (please see the Appendix or visit the HANDBOOK tab at smplano.com) will be contacted.

- ✧ The school office must be able at all times to contact a student's parents in case of an emergency. It is the responsibility of the parents to communicate up-to-date contact information. This includes emergency contact information, phone numbers & mobile carriers, email addresses, home addresses, and places of employment.
- ✧ An Emergency Information Sheet must be completed and returned with all other registration materials or at the start of the school year.
- ✧ Parents should make every effort to pick up their student ASAP after being notified that their student is ill or injured.
- ✧ Parents should strongly consider keeping their student home from school when the student is experiencing a severe headache, a severe stomachache, a severe earache, a sore throat, chills, or diarrhea.
- ✧ Students with undiagnosed rashes can be sent home at the discretion of the faculty/staff until the rash is diagnosed and a physician deems that the student is able to return to school.
- ✧ If a physician prescribes an antibiotic for a student, the medication is to be started at least 24 hours before the student returns to school.

Fever/Vomiting Policies:

- ✧ If a student has a fever, his/her parents will be notified. If the student's fever is greater than or equal to 100.0 degrees, he/she must be picked up and taken home. The student can return to school when he/she has been fever free for 24 hours without the use of fever reducing medication.
- ✧ If a student vomits at school, the parents will be notified to come and take the child home. The student can return to school when he/she has been vomit free for 24 hours.

Head Lice Policy:

- ✧ Students can be checked periodically for nits/head lice.
- ✧ If a student is found to have nits/head lice, his/her parents will be notified to come pickup their student. Parents are instructed to begin treatment and/or contact their physician.
- ✧ A student found to have nits/head lice can return to school the day after the first pediculicide application.

School Closing Due to Illness:

St. Mary School will be closed the day following back-to-back days when 20% or more of the student population is absent due to illness. If 20% or more of the student population is absent due to illness on a Thursday and a Friday, there will still be school on the following Monday.

All students will remain at school for lunch. All food and drinks must be consumed in the classroom. Food and drink are not allowed in other locations of the school unless authorized by a faculty/staff member. Students cannot consume pop/soda during the lunch period. All classroom and school rules/policies apply during the lunch period, regardless of the adult supervising (parent volunteer).

Milk:

Parents can participate in a milk program in which milk is purchased in advance and delivered to their student(s) during the lunch period. Details regarding the milk program are sent home annually at the start of the school year.

Hot Lunch:

On certain week days, hot lunch is available for students grades K-8 to order if they so choose.

A student who is well enough to be in school is well enough to be outdoors at recess time. This activity time, as part of the entire school program, is important to the physical, social, and mental well-being of the student.

Supervision:

- ✧ Students are supervised during lunch and recess by faculty/staff members and parent volunteers.

Diocesan Policies

St. Mary School operates under the auspices of the Diocese of Joliet. Therefore, St. Mary School adopts in whole all policies set forth in the Handbook of School Policies published by the Diocese of Joliet Catholic Schools Office. The school administrator, faculty and governance board are required to follow all policies of the Diocese. Additional local policies may be developed to govern the operation of the school but may not be contrary to those policies and procedures established by Diocese of Joliet.

1140 COMMUNICATION WITH STUDENTS (CONFIDENTIALITY)

Confidentiality generally refers to information given with the understanding it will not be revealed to another person. Illinois State Law regulates some confidentiality issues i.e. the Mental Health Act, the School Records Act, the Social Workers Act and the Abused and Neglected Child Reporting Act. Catholic schools follow these laws, regulations and guidelines as applicable.

Staff members inform students of ground rules regarding confidentiality before receiving confidences. Students are told that confidences will be respected except in cases of health, life and safety.

The above rules also apply to written communication. Teachers are expected to read what students write. If a teacher cannot read the assignment, such assignments are not made. If students engage in journal writing, confidences will be respected except in cases of health, life and safety.

Confidentiality regarding information revealed during school retreats etc. follows the same rules. If student leaders are used, they must understand about reporting confidences.

1220 POLICY of CHRISTIAN CONDUCT

Our Catholic school are rooted in a **vision** and **values**:

- The **vision** for the Diocese of Joliet Catholic Schools is: an integrated network of vibrant schools that makes Catholic education available to all within a community of lifelong learners formed in faith, educated for excellence and sent to serve.
- The **values** for the Diocese of Joliet Catholic Schools are: incorporating faith into the classroom, balancing challenging courses with a nurturing environment, collaborating with families, holding each other to a higher standard, and looking ahead.

The vision and these values are based upon the Gospel and summarized by Jesus' command to "...love the Lord your God, with all your heart, all your soul, with all your mind, and with all your strength... You shall love your neighbor as yourself." (Mk 12:30-31)

In light of our Gospel vision and values, all our parents and their guests at our schools are expected:

- To display a truly Christian attitude in all activities and relationships with adults and other students. Treat others how we want to be treated.
- To be courteous and considerate of others.
- To extend courtesy to guests and visitors of the school.
- To treat the entire school community with dignity and respect.

Respect for ourselves and everyone who makes up our school community is an essential requirement for Christian environment. Children first learn appropriate behavior demonstrated by their parents and other role models. As adults, it is our charge to help children accept responsibility for their actions and to understand consequences.

Our whole child approach integrates Catholic doctrine, prayer, sacraments, and moral decision-making with academic achievement and physical health. This is accomplished in partnership with parents.

The ideal of discipline within Catholic education is to enable students to move from externally imposed discipline to self-discipline and finally toward adult discipleship.

As we teach, advocate, and model the virtues and values we wish to instill in our children, we, as adults, must also enforce rules related to our own behavior, as well as accept responsibility and consequences.

1310 ISSUES REGARDING SCHOOL PERSONNEL

The administration and staff are committed to effective and appropriate communication. If an issue arises, it is first addressed to the person(s) involved. If the issue is not resolved, the supervisor of the school staff is contacted. At the local level, the principal supervises teacher/staff members and the pastor supervises the principal.

The Catholic Schools Office may be contacted for advice at any time during the process. Before the Catholic Schools Office acts to resolve the issue, all local recourse is to be exhausted.

If an issue about an individual employee is brought to a supervisor, the employee involved is advised of the nature of the issue. The employee is given opportunity for explanation, comment or presentation of the facts as he/she sees them.

If a personnel issuer is expressed to the local school board as a whole or to a board member as an individual, it is referred to the person's supervisor for study and possible solutions. The employee is given an opportunity for explanation, comment or presentation to the supervisor of the facts as he/she sees them.

1380 PARENT SEX OFFENDERS

The signature of these parties is necessary before the child is accepted in the school. Failure to comply with the agreement may be cause for disenrollment of the child. (adopted 2010)

6510 INTERSCHOLASTIC ATHLETICS

Interscholastic athletics are a part of the educational process, and are consistent with the philosophy and goals of the Diocese and local school. The athletic program is an outgrowth of a sound physical education program and emphasizes good sportsmanship, teamwork, and personal development.

Each local school provides interscholastic sports for boys and girls.

Competitive sports are not permitted below the fifth grade. Where training programs exist before fifth grade; they are not to include competition between schools.

Each local school develops its own specific athletic philosophy, rules, regulations and eligibility standards for interscholastic sports in accordance with direction provided by the Catholic Schools Office. This philosophy and its accompanying policies, rules, regulations are developed under the direction of the principal in collaboration with local school board and athletic personnel.

Eligibility standards are developed in accord with a school's athletic philosophy. When possible, regional consultation is sought before enacting such standards. Behavioral and academic criteria are considered in setting standards. Students who play on school teams should be students of the school, so that other eligibility standards can be maintained.

Every effort should be made to schedule athletic events so that they do not interfere with a family's attendance at liturgy. No games or practices are scheduled in a parish facility before the last Sunday morning or early afternoon liturgy has been completed.

The superintendent, in collaboration with the principals, develops administrative regulations general to the interscholastic athletic program and specific to the various sports. (See Appendix 6C and Athletics Handbook)

Schools comply with these regulations or discontinue sports programs which repeatedly do not comply.

All athletes in grades 5-8 must show proof of an annual sport physical. 6th grade physicals as well as sports physicals are a state requirement. Our diocese requires annual physicals of all athletes in grades 5-8. Without a physical, students will not participate in practices or games. Physicals are also required for 4th grade instructional programs and intramurals.

This information is required by law on the first day of school, with an extension time of October 1st for students who begin school on the first day. Any students entering school after the first day will be allowed 30 days from their entrance date to comply with this policy. Children can be excluded from school if they are not in compliance with the requirements.

It is recommended all elementary schools with athletics join the IESA-\$75 dues-to allow access to these materials.*

Emergency Action Plan

Each school must also develop a school-specific emergency action plan for *interscholastic* athletic activities to address the serious injuries and acute medical conditions in which the condition of the student may deteriorate rapidly. There are certain provisions the plan must include and it must be reviewed by the COT before being approved by the school. The plan must be distributed to appropriate personnel, posted at the school, and reviewed annually. Links to sample information may be found below on the IESA website and on the IHSA website.

6745 SOCIAL MEDIA (Revised 4/2021)

The Catholic Schools Office recognizes that the use of social media is being used in a variety of methods as an important evangelizing, educational and marketing tool to promote school and ministerial programs. However, those using the Internet should bear in mind that certain comments and information may have a harmful effect on the school, parish, the Diocese of Joliet, its reputation and its employees. In light of this possibility employees and volunteers are required to adhere to the following policy regarding the use of social media sites, networks and blogs.

This Social Media Policy (the “policy”) applies to all online or mobile-based tools for sharing content and discussing information, whether controlled by the diocese, local school or local parish or hosted on other platforms (such as Facebook), on which employees/ volunteers of the school /parish engage in activities relating to the school, parish or diocese. The term “social media” refers to activities that integrate technology, telecommunications and social interaction through the use of words, images, video or audio tools. Examples include, but are not limited to, social websites, blogs, message boards, wikis, podcasts, image- and video-sharing sites, live webcasting and real-time communities. Because this is a constantly evolving area, this policy applies to all new social media platforms whether or not they are specifically mentioned in this policy.

General Guidelines

- ***Be selective*** –due to the availability of a variety digital tools, be selective in the type of medium for your message – a blog or social network might not be the right place for messages intended only for a small group.
- ***Be responsible*** – social media are individual interactions, not official diocesan/parish/school communications. All employees and volunteers at the parish/school are personally responsible for their posts. Official statements of policy may only be made by the Superintendent/ Pastor/ Principal or designee. A blog or community post is visible to the entire world. Remember that what you write will be public, and potentially for a long time. In the event you identify yourself as,(or is manifestly understood to be) an employee of the local school, parish or diocese on a personal blog (or other website with a similar purpose), to help reduce the potential for confusion, the employee is required to put the following notice in a reasonably prominent place on the site:

“The views expressed on this site are mine alone and do not necessarily reflect the views of my employer, or the Diocese of Joliet.”

- ***Identify yourself*** – authenticity and transparency are driving forces behind social media. Use real identities to the greatest extent possible rather than anonymous posts and comments.
- ***Honor the privacy of others*** – do not publish the personal information of others without their permission or, in the case of minors, written permission of their parents. All guidelines for the Protection of Children as outlined in all agreements and policies are to be followed.
- ***Be respectful*** – if you disagree with others, do so with civility. Respect your audience, express your views with appropriate language, and be respectful of the Church and its teachings.

-Comply to- all guidelines of the Employee/Staff Acceptable Use Agreement and all aspects of the Safe Environment Policy of the Diocese of Joliet.

Specific Policies

1. Use of Official Name and Logo.

Any use of the parish/school name or logo for branding or titling pages, blogs, or other similar elements of social media must be approved in writing prior to use. Requests for prior consent to use such names or logos will be made to the Pastor/Principal or designee. Any uses in existence at the time of adoption of this policy are not grandfathered and would be authorized pursuant to this policy. Permission to use the name or logo of the parish or school may be revoked at any time.

2. Duties of Moderators.

Moderators of **official** parish/school social media are responsible for ensuring compliance with this policy statement. If there is official parish/school social media, there will be an employee /volunteer of the parish/school designated as the moderator. All content, comment and blog response areas must be moderated. Those responsible for such areas must review and approve comments prior to posting, and should not post any comments that do not meet our standards for civility, misrepresent the position of the Church or diocese/ parish/school , or that include profanity, defamatory language or speech that is otherwise inappropriate or off-

topic. Anonymous comments will not be permitted. All moderation functions reserve the right to ban repeat offenders. Moderators who permit users to post materials such as documents or photographs will make clear to users that the site will not archive those materials and will delete e them after a published period of time (typically 12 months, except in cases where a project needs to be preserved for a longer period of time). Moderators must provide login in access to social media to pastor/principal.

3. Prudent Judgment.

- A. **Personal Use – Possible Negative Impact.** Even when engaging in social media for personal use, the comments of employees or volunteers of the parish/school may be viewed as a reflection on diocese/parish/school. Users will use their best judgment

when engaging in social media activities and should be on guard against actions and discussions that could harm children, the interests of the diocese/parish/school or be subject to question as inappropriate by parents or school/parish administration.

B. Contact With Students

Employees and volunteers of the School cannot engage with current and prospective students on social media sites unless the site is school-sanctioned. Also knowingly interacting with students on a third-party social media page (such as a fan page for a local sports team) is prohibited.

Caution and prudence should be used if there are communications with students who are 18 and have graduated.

The School will strictly limit friendly/engagement with parents to only school-sanctioned sites.

4. Copyright Laws.

Anyone who submits content must comply fully with copyright law. Any posting of materials to official parish/school social media must adhere to all copyright laws. Images and other materials from the parish or school websites will not be copied and uploaded to other forums without the prior written consent of the Pastor/Principal or designee.

5. Privacy. All users of social media within parish and school communities will take care to safeguard the privacy interests of other community members. In particular, personally identifiable information (that is, information that can identify a particular person, including name, photo, phone number, address or email address) will not be disclosed without the prior written consent of the person identified. In cases where a user has consented to the publication of such information, appropriate privacy settings and levels will be utilized.

6. Minors. Public social media maintained by the parish/school are not intended for the use of children under the age of 13. Any site operated by parish/school that is oriented toward youth between the ages of 13 and 18 must require registration for all users and must be password-protected so that only registered users may access the site. Users of such a site may not post images of minors without the prior written consent of a parent or legal guardian of any minor depicted.

7. Enforcement. Any use of social media that does not comply with this policy should be brought to the attention of the appropriate party: the Pastor or the Principal or designee immediately. Failure to follow the social media policy may result in the loss of privileges and/or disciplinary action, up to and including termination, for an employee or removal from position, if a volunteer.

8. Social Networking Website Passwords: Illinois School Code 105 75/15. Illinois Public Act 098-0129 Students and their parents or guardians are advised that the Diocese of Joliet Catholic Schools may not request or require a student to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website. The school principal **may** conduct an investigation if the school has **reasonable** cause to believe the content of a student's social media account has violated a disciplinary rule or policy of the school. The law allows that in the course of an investigation, the student may be required to share the content that is reported in order to make a factual determination.

This policy may be updated and modified at any time at the sole discretion of the Diocese of Joliet Catholic Schools Office in light of changing circumstances and events

6830 ALLERGIES

If a student has been diagnosed by a physician to have allergies and the necessity to self-administer and to self-carry an epinephrine auto-injector a signed parent permission notification and a signed physician authorization must be provided to the local Catholic School either at the start of a new school year, upon enrollment, or immediately following diagnosis of such requirement. Both the parental permission and physician authorization will be held on file at the school site where the student attends.

Accommodation requests are initiated by a parent/guardian to the local Catholic School and include a physician's report outlining the severity of the allergy and the recommended actions by the physician that are medically necessary to avoid any reaction.

Administration explains to parents/guardians what reasonable accommodations they can make. Allergy free is not a credible accommodation that schools make, however, effective practices to reduce the chance of exposure to allergens may include, but are not limited to:

- ✓ designating a separate table/area for students with an allergy,
- ✓ allowing the allergic student to eat at his/her own desk, keeping the same desk year-round to reduce possible contaminants if there is no common lunchroom,
- ✓ limit/prohibit food in classrooms,
- ✓ remove food as a reward in classrooms or for celebrations,
- ✓ the regular cleaning of classrooms and lunchroom,

- ✓ educate school personnel on the management of students with allergies

6840 ASTHMA

A school, whether public or nonpublic, must permit the self-administration of medication by a pupil with asthma or the use of an epinephrine auto-injector by a pupil, provided that:

- ✓ The parents/guardians of the pupil provide to the school written authorization for the student to self-administer medication or for use of an epinephrine auto-injector, written authorization from the pupil's physician, physician assistant, or advanced practice registered nurse, and
- ✓ the parents/guardians of the pupil provide to the school: the prescription label, which must contain the name of the medication, the prescribed dosage, and the time at which or circumstances under which the medication is administered

If a student has been diagnosed by a physician to have asthma and is required due to this diagnosis to self-administer and to self-carry asthma medication of any type, a signed parent permission notification and a copy of the prescription must be provided to the local Catholic School either at the start of a new school year, upon enrollment, or immediately following diagnosis of such requirement. Both the parent permission and the copy of the prescription will be held on file at the school site where the student attends. Parents/guardians please be informed that the school and its employees and agents incur no liability, except for willful and wanton conduct, as a result of any injury arising from the self-administration of medication or the use of an epinephrine auto-injector by the student.

A school or a school employee is not liable for civil or other damages as a result of conduct, other than willful or wanton misconduct, related to the care of a student with diabetes. (b) A school employee shall not be subject to any disciplinary proceeding resulting from an action taken in compliance with this Act, unless the action constitutes willful or wanton misconduct.

6850 DIABETES

Students are allowed to self-manage their diabetes in the school setting if they are authorized to do so by their diabetes care plan. The diabetes care plan should specify the nature of the student's self-management and may include: allowing students to check blood glucose levels when and wherever needed; self-administration of insulin; self-treatment of hyperglycemia or hypoglycemia; and allowing the student to possess, at all times, supplies and equipment necessary for diabetes management including, but not limited to, syringes, food and drink.

If a student has been diagnosed by a physician to have diabetes and to self-administer and to self-carry diabetes medication a signed parent permission notification and a signed physician diabetes care plan that would also carry a parent signature must be provided to the local Catholic School either at the start of a new school year, upon enrollment, or immediately following diagnosis of such requirement. Both the signed parent notification and the physician diabetes care plan will be held on file at the school site where the student attends.

Diabetes Care Plan Requirements:

- It is the responsibility of the student's parents or legal guardians to share health care provider instructions concerning the student's diabetes management during the school day.
- The diabetes care plan shall include the treating health care provider's instructions concerning the student's diabetes management during the school day, including the copy of the signed prescription and the methods of insulin administration.
- The services and accommodations specified in the diabetes care plan shall be reasonable, reflect the current standard of diabetes care, include appropriate safeguards to ensure that syringes and lancets are disposed of properly, and include requirements for diet, glucose testing, insulin administration, and treatment for hypoglycemia, hyperglycemia, and emergency situations.
- A diabetes care plan shall include a uniform record of glucometer readings and insulin administered by the school nurse or delegated care aide during the school day using a standardized format provided by the State Board of Education.
- A diabetes care plan shall include procedures regarding when a delegated care aide shall consult with the parent or legal guardian, school nurse, where available, or health care provider to confirm that an insulin dosage is appropriate.
- A diabetes care plan shall be submitted to the local Catholic School at the beginning of the school year, upon enrollment, or immediately after a student's diagnosis, or when a student's care needs change during any given school year. Parents shall be responsible for informing the local Catholic School in a timely manner of any changes to the diabetes care plan and their emergency contact numbers.

105 ILCS 145 states (a) A school or a school employee is not liable for civil or other damages as a result of conduct, other than willful or wanton misconduct, related to the care of a student with diabetes. (b) A school employee shall not be subject to any disciplinary proceeding resulting from an action taken in compliance with this Act, unless the action constitutes willful or wanton misconduct.
